

KS1 Celebration Newsletter Summer 2021

Dear Parents and Carers,

The children in KS1 have had a busy and productive Summer Term.

It has been a challenging year with many restrictions, worries and changes for children, parents and staff alike. However, the children have all been amazing and surprised us with their resilience, perseverance positive attitudes towards their learning and the changes, which have taken place and have surprised us at every turn!

All the children are a credit to both the school and their families, we are so proud of every single one of them.

Science - Living things and their Habitats

We welcomed some caterpillars and worms into the phase, watching the caterpillars grow as they performed some amazing transformations into a chrysalis then into a butterfly! The children enjoyed observing these changes.

Sports Day

Sports day was a little different this year, however the children enjoyed taking part and winning points for their houses.

Our Trip to Noah's Ark Zoo and Farm.

The children also enjoyed their visit to Noah's Ark Zoo Farm, where they demonstrated beautiful behaviour while learning many new facts about the different animals we saw, touched and held.

Zebra Class Liturgy

The children in Zebra class completed their Liturgy on the learning, which had taken place around Pentecost. They enjoyed talking about the symbols of the Holy Spirit and the events of the day the Holy Spirit came.

Panther Class Liturgy

The children in Panther class completed their Liturgy in May and focused on Mary, as May is the month we give devotion to Mary. The children used the Rosary bracelets they had made to pray the Rosary.

Leopard Class Liturgy

The children in Leopard class complete their Liturgy on the Feast of St Peter and St Paul. Learning all about how Saul transformed to Paul and how God built his church on Peter, 'The Rock.'

RE

This term the children have enjoyed lots of creative learning around the events of 'Pentecost', deepening their understanding by completing activities such as, Hot seating, Art, Retelling and Drama.

We can follow... so... our R... Health Education... term where... lot of disc... and tasks... ing safe... e who help... completing activities as above.
